IMPORTANT INFORMATION

8 Legal

8.1 The policy is a legal contract between **NMC** and **us**. This policy document provides **you** with the terms, conditions and exclusions of the international extension cover.

8.2 This policy is subject to **your home country's** law.

9 Not a medical aid

The intention of this cover is to stabilise and repatriate **you**. This policy is not a medical aid, and does not provide cover for treatment in **your home country** after repatriation. For example, if you fall and break your leg while skiing in Italy and it needs further operations and physio therapy once you have returned to **your home country**, this policy does not cover any of the costs incurred in **your home country**.

10 More than one policy underwritten by us

We shall never pay more than the **limit** of whichever policy has the highest **limit** of cover. Example, if one section in terms of this policy covers medical up to 5,000 and the second policy with us covers medical up to 7,000 the maximum **we** will pay is 7,000.

11 Policy documents

11.1 The policy wording explains the benefits, conditions, exclusions and claims requirements and the schedule of benefits.

11.2 **You** may obtain a letter of confirmation from NMC. The letter is a summary of cover. **You** must refer to this policy wording for full details of the terms, exclusions and conditions of cover.

11.3 **You** must read the policy wording, the visa letter and any endorsement as one document. All the headings that **you** see are merely to help **you** find information quickly. **You** must not take them to affect the interpretation of the policy. **You** must read all the sections in **your** policy document and ensure that **you** understand **your** cover and responsibilities. **You** must contact **us** if **you** have any questions.

11.4 Should there be any conflict between the contents of the policy wording and the contents of the schedule, **we** will give the schedule precedence.

12. Third party claims

We may finalise the claim by paying **you** up to the **limit**, or an amount for which the third party claim may be settled. This will release **us** from any further liability for the claim.
